

RELATIONSHIP BUILDING AT CASTAWAYS 2007

Meeting planners and suppliers built many new relationships at the 2007 Castaways Deep-Sea Fishing and Golf Tournament hosted by Norwegian Cruise Lines. The event provided a great opportunity to conduct business and network in an informal, relaxed setting. Attendees, representing major corporations and associations such as Pyrotek Inc., Honda Power Equipment, J.H. Whitney Capital Partners, LLC, Rocky Mountain Mineral Law Foundation, National Bankers Association, International Association of SIU's, ANS - Advanced Neuromodulation Systems and Nations Best Sports were treated to an itinerary of unique

events while cruising through the Hawaiian Islands.

Information on the 2008 event will be published in the 2008 M&C summer issues.
